

Cable Hives®

Cable hives are an alternative to floor boxes & slab boxes for taking underfloor power to under desk level. They offer an ideal solution for a fast, simple and unobtrusive installation. Easy to install and relocate if necessary, cable hives are ideal for use with our Conti power module, perfect for any office power requirements.

power distribution

- Installed in less than 5 seconds – removed in less than 10 seconds (No tools required for fitting)
- Available in 127mm and 210mm (Outside diameter: 140mm and 225mm respectively)
- Quality, reliability and safety come as standard
- Self closing lifting handles
- Manufactured from polycarbonate – ABS in standard grey (RAL 7031)
- Fasteners will work on panel thickness of 5mm and upwards
- Panel cut out diameter: 127mm and 210mm

Maximum number of conduits accepted when lid is in place:

Standard Cable Hive (127mm)		Large Cable Hive (210mm)	
PPH261G (Hard Foam)	PPHC261G (Soft Foam)	PPG211G (Hard Foam)	PPGC211G (Soft Foam)
4 x 16mm	8 x 16mm	10 x 16mm	16 x 16mm
3 x 20mm	3 x 20mm	6 x 20mm	9 x 20mm
2 x 25mm	3 x 25mm	3 x 25mm	5 x 25mm
1 x 32mm	2 x 32mm	3 x 32mm	3 x 32mm

Reversible centre lid - 6mm carpet cut for improved installation aesthetics

Centre lid retainer - for added security. Eliminates lid loss

Hive colour - Grey, RAL7031 (other colours available)

Power sockets - Provide strain relief clearance for moulded plugs

Angled standard RCD cleaners hive

Our angled standard RCD Cleaners Hive has been designed to allow the fitment of moulded 13A plug tops with strain relief without stressing the flex hence its new angled design. Designed to power 230V vacuum cleaners.

Features:

- More robust
- 35mm reduction in overall depth
- Improved user functionality
