

Reveal power and data

The new Reveal through desk module is our premium product of this type and is the perfect solution for providing power and data sockets in boardroom and office environments. The unit is available in a selection of finishes and features a soft closing lid mechanism to create a quality finish. The dual action lid mechanism also creates a generous shadow gap for cable exit whilst offering a seamless appearance when not in use.

- Comes in black, grey and white painted finish
- Available in two sizes; small is 341mm x 151mm (cut out size 328mm x 134mm) and large is 441mm x 151mm (cut out size 428mm x 134mm)
- Seamless low profile surround
- Smooth action lid that retracts to allow access from both sides
- Fitting from above and locked into position using under desk fixings
- All UK power socket versions feature individual fuses
- Choice of 3.15A or 5A fuses are available to comply with BS 6396
- Unit complies with BS 5733
- All standard options are supplied with a 3m mains lead to 13A UK plug and 3m data leads

Manage your energy

Configure to allow energy to be monitored and controlled with Footprint. See page 155 for more details.

Note: CMD cannot accept any responsibility or liability for providing category 6 performance in products supplied. *Dimensions are meant as a guide and have a +/-1mm tolerance.

Fuses: Only accessible after removal of equipment plug. Lead lengths shown will be the conductor length and not the distance from the end of the module to the plug. For example, a 3m prewired power lead will be approximately 2.875m as 125mm will be internal for the termination, this is also applicable for data leads. Data fascias may be subject to colour change.

Cables: White and grey modules are supplied with white cables and black modules are supplied with black cables.

HDMI: CMD cannot accept any responsibility or liability for providing HDMI performance in products supplied over 10m in length.
