Note: CMD cannot accept any responsibility or liability for providing category 6 performance in products supplied. *Dimensions are meant as a guide and have a +/-1mm tolerance.

Fuses: Only accessible after removal of equipment plug. Lead lengths shown will be the conductor length and not the distance from the end of the module to the plug. For example, a 3m prewired power lead will be approximately 2.875m as 125mm will be internal for the termination. This is also applicable for data leads. Data fascias may be subject to colour change.

Cables: All modules are supplied with matching mains cables.

HDMI: CMD cannot accept any responsibility or liability for providing HDMI performance in products supplied over 5m in length.
