

# Coronavirus (COVID-19) Statement

## 03 April 2020

Dear Partner.

CMD Ltd is carefully monitoring the rapidly evolving COVID-19 situation and is responding to the ever-changing needs of our employees, our customers and indeed the country's requirements at this time.

**CMD Ltd remains open for business, with a high value of finished goods in stock at our distribution facility and we will continue to distribute orders to the best of our ability.**

To protect the health and wellbeing of our customers, suppliers and our employees, and to ensure we maintain the highest level of service in support of your business requirements, CMD Ltd continue to look for ways to safely navigate this situation.

**To support the nation in the fight against Covid-19, we have a team of production operatives designated to manufacture the products required for projects that are essential in the fight against Coronavirus.**

Should you have a project requirement that is deemed essential or 'key' by the Government that requires our services, we will mobilise the production team to ensure we can support your business in the production of the products that you require.

In line with our previous communications regarding Covid-19, CMD Ltd will continue to follow the Government advice and guidelines as stipulated. We will ensure that our employees are always protected and observe the 2-metre distance in everything we do.
