

QHSE Policy Statement

CMD Ltd supply monitor arms, workstation power modules, cable management solutions and power distribution systems designed for offices and commercial spaces on a worldwide basis.

Our success is underpinned by an understanding of our customers and interested parties` requirements allowing us to manage risk and opportunities effectively, and to optimise processes to achieve best outcomes. We encourage proactive involvement of all colleagues through support, training, and safe working practices.

CMD is committed to:

- Providing professional quality products and services to drive customer satisfaction.
- Providing a safe working environment by minimising the risk for all parties on our premises.
- Safeguard our environment and dealing responsibly with waste products and emissions we generate.
- Continuously improve our QHSE performance and management system to achieve operational efficiency.
- Comply with all applicable statutory, regulatory, and other requirements.
