# Porthole 65

cmd

DESCRIPTION

Porthole 65 is a fixed format power module designed to fit into a standard 80mm grommet hole, in a workstation or a meeting table. It comes with a choice of UK or international socket, a USB Type A 18W charging socket and a USB Type C 65W adaptive fast charging socket, and is capable of charging a range of leading laptops, tablets and smart phones. It's discreet low profile allows it to blend seamlessly with your furniture, and provides the perfect workstation, and collaborative power solution for offices and commercial spaces.
