

Porthole 65

DESCRIPTION

Porthole 65 is a fixed format power module designed for workstations and meeting tables, and fits into a standard 80mm grommet hole. It comes with a choice of UK, Schuko, French/Belgian, Italian, or Swiss socket, a USB type A 18W charging socket and a USB type C 65W adaptive fast charging socket. It can charge a range of leading laptops, tablets and smart phones. It's discreet low profile blends seamlessly with your furniture, and provides the perfect workstation, and collaborative power solution for offices and commercial spaces.

KEY FEATURES

- 1 A choice of UK, Schuko, French/Belgian, Italian, or Swiss socket
