# Ergonomics in Arm's Reach

The Reach range of monitor arms

# Why choose CMD?

CMD is the UK's largest manufacturer of desk-based electrical and power distribution products for commercial offices, retail, and hospitality spaces.

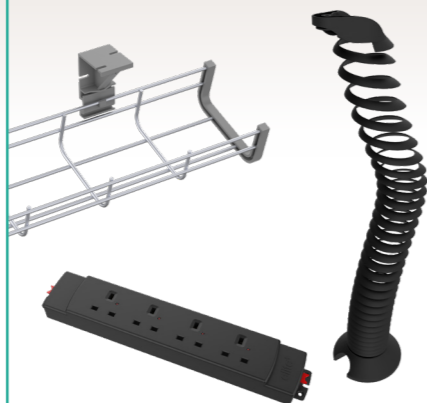

A British manufacturer founded in 1984, we offer a full range of easy-to-install solutions - from underfloor power systems to workstation accessories - backed by an expert team of workplace specialists to provide advice, guidance and to ensure compliance with BS 6396, BS 7671, and DSE standards. Our range includes :

## ↑ Above desk

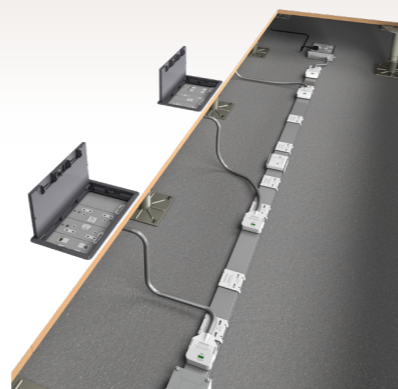

On-desk, In-desk and Under-surface Power & USB modules, Monitor arms.

## ↓ Below desk

Power systems, Cable baskets and Spines.

## ↕ Beyond desk

Powertrack power distribution systems, Floor & Slab boxes, Grommets & Hives.

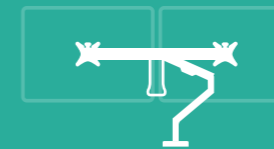

part of the **LUCEC** plc group
