

Cascade

Cable Spine

5 Year
Warranty

100%
Recyclable

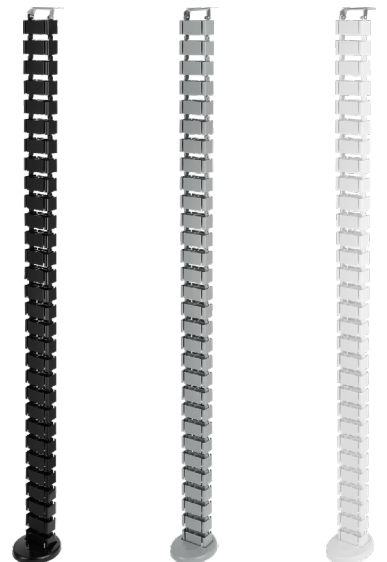

DESCRIPTION

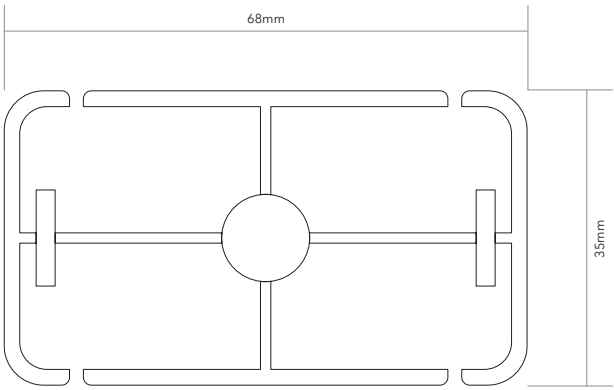

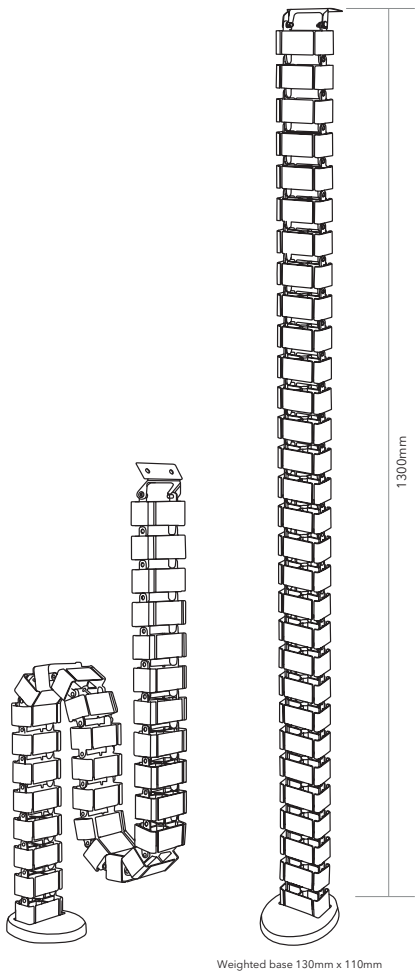

Cascade consists of 30 removable connector blocks, which allow it to flex and curve as the desk lifts and lowers. Each connector block is divided into four sections, so you can segregate cables by function or type.

KEY FEATURES

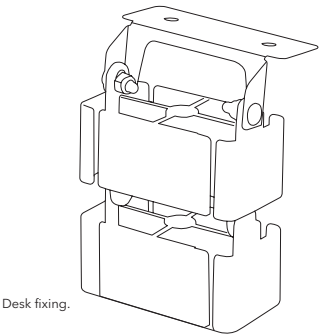

1. Four cable compartments
2. Easy to insert cables
3. Supplied as standard length of 1300mm
4. Fully configurable for different applications
5. Large weighted base with built in cable exit and non-slip underside
6. Available in black, grey and white

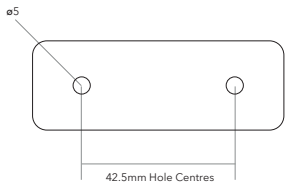

DIMENSIONS

Connector Block.

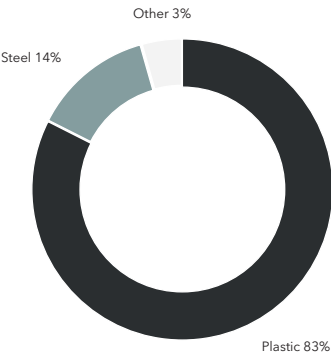

Desk fixing.

Desk fixing requires 2x fixing screws (supplied)

MATERIAL COMPOSITION
